Study opportunities at Linnaeus University Sweden

In the framework of the cooperation agreement with Linnaeus University in Sweden, which has the Faculty of Computer Sciences, we inform you that the call for applications for student exchange for the academic year 2022/2023 has been opened, which creates the opportunity for students to study at this University for one semester (spring semester 2022-23).he call is dedicated to students of the Faculty of Computer Sciences who will continue their studies for 1 semester at the Faculty of Technology at Linnaeus University.

After completing the 1-semester studies, the students return to UPZ and the credits earned at the University where they continued their studies are recognized.

There are 3 vacancies

Conditions:

- To be a regular student at FSK
- Have an average grade above 8

The deadline for application is until (the application must be made to the reference of the FSK).

Documents for application:

1. Birth certificate
2. Transcript of grades
3. Evidence of knowledge of the English language

The payment of tuition, accommodation, living and travel are covered by the ERASMUS+ project where the AFC is the beneficiary.

In the following link you can find the subjects that can be followed during studies [exchange-studies/courses-and-programmes-for-exchange-students/?semester=Autumn+2022&faculty=Faculty+of+Technology](https://www.linnaeus.se/education/exchange-studies/courses-and-programmes-for-exchange-students/?semester=Autumn+2022&faculty=Faculty+of+Technology)
